Alternative Snow Route Stops

During times of inclement weather with its potential for delays due to road and traffic conditions transportation times cannot be guaranteed. All listed times are ESTIMATES ONLY. Actual times may vary significantly. Parents using an alternative snow stop should stay with their children at the bus stop until the bus arrives. DO NOT leave children unattended at an alternative snow stop.

Not all affected areas have alternative snow stops. If you live in an affected area that lists "None" under Alternate Stop, you will need to decide whether to have your child attend school or not on a snow route day and provide transportation if attending.

If an alternate stop is listed but no estimated time is noted in either the AM or PM then that alternate stop is not currently serviced during the time of day where there is not an estimated time listed.
